Dear Sir:

I, Anthony Chou, state that I am currently an employee of Wagner Murabito Hao, LLP law firm and have been employed since June of 1996.

1. This Affidavit relates to the deposit with the United States Postal Service of patent application serial number 09/994,450, titled "A METHOD AND SYSTEM FOR AN EXTENSIBLE CLIENT SPECIFIC CALENDAR APPLICATION IN A PORTAL SERVER" (Attorney Docket No. SUN-P6491).

2. On November 16, 2001 I attempted to mail the above referenced patent application with the United States Postal Service as "Express Mail Post Office to Addressee" in accordance with 37 CFR 1.10. The application was in a United States Postal Service Express Mail envelope with the Express Mail Number EV 016229431 US.

3. The United States Postal Service as "Express Mail Post Office to Addressee" envelope was returned at the counter by the Postal Service employee in accordance with a memorandum issued by the Chief Operating Officer and Executive Vice President of the United States Postal Service that temporarily suspended Express mail service to Washington D.C. 2002XX through 205XX.

4. I called my supervisor Anthony C. Murabito and was told to send the envelope by Priority Mail to the United States Patent and Trademark Office on November 16, 2001.

5. Accordingly, I sent the above referenced patent application with the United States Postal Service on November 16, 2001.
